Fashion is part of the daily air  
and it changes all the time,  
with all the events.  
You can even see the  
approaching of a revolution  
in clothes. You can see and  
feel everything in clothes.

A NEW LIGHTNESS

A full-page photograph of a woman with long, dark, wavy hair, wearing a long-sleeved, floor-length purple dress. The dress features intricate floral embroidery on the neckline and a matching belt. She is also wearing large, ornate earrings and a ring. She is standing outdoors on a paved path, with lush green palm trees and foliage in the background. The lighting is warm and natural, suggesting a sunny day. The entire image is framed by a thin white border.

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

"What's my style is not  
your style, and I don't  
see how you can define it.  
It's something that  
expresses who you  
are in your own way."
